

Harmful Algal Blooms Initiative

Jon B Marshack, DEnv
Monitoring Council
Executive Director

Goal of the HABs Initiative

A comprehensive and unified cyanoHABs program for California

- 💧 Monitoring
- 💧 Assessment
- 💧 Reporting
- 💧 Response

For both freshwater and marine

Tasks

- 💧 For the August 23, 2016 Meeting
 - 💧 Identify existing HABs-related efforts – what's being done?
 - 💧 Identify gaps – what is not being done?
 - 💧 Identify where efforts are not being coordinated
 - 💧 Identify potential sources of funding
 - 💧 How can the Monitoring Council lend its support?

I Need Your Help
